

Kaikoura District Council
Mayor
Electing the Mayor

Craig MACKLE

My principal place of residence is in the Kaikoura District Council area.

Living in Kaikoura with my family nearly all my life, I am committed to and passionate about our town. I was a co-owner of Harmac Concrete for 16 years which provided concrete for the reconstruction of SH1 post-earthquake. As an elected Councillor representing the community for the past 6 years I believe I have what it takes to lead our town forward as Mayor. I am excited to be the Councillor working with the trust to lead the construction of the Kaikoura Community Pool. We are facing unprecedented challenges for our small rating base - finishing the infrastructure rebuild as close to budget as feasible, finding a way forward for our solid waste and making sure we are financially sustainable. Not only do I have the experience but I also have the right stuff to ensure our Council makes good decisions and to lead this district forward.
