

Kaikoura District Council
Kaikoura District Council
Electing 7 Councillors

Lisa BOND

My principal place of residence is in the Kaikoura District Council area.

Kia Ora

I have been blessed to call Kaikōura home since I was a teenager. Whale Watch Kaikōura saw potential in me when I left school, I'm now the

Marketing Manager, proudly & successfully representing Kaikōura on the world stage.

If I had not received their support & confidence in the potential they saw in me, my life would have been very different. My heart is to in turn, see the potential in others & in our town to create pathways to a better future for us all.

The last 3 years' post-earthquake has been a big learning curve for everyone. My hope is that I can bring to the table the knowledge I have accumulated in my previous term to help the next three years be a time of growth & opportunity for all in our community.

I thank you for trusting me with your vote
