

Kaikoura District Council
Kaikoura District Council
Electing 7 Councillors

Vicki GULLEFORD

My principal place of residence is in the Kaikoura District Council area.

I am experienced and passionate in advocating for others and am able to understand a wide range of different viewpoints. I would love the opportunity to represent the voices that aren't often heard in Council decision making. Kaikōura is my home and I want to be part of a Council that is innovative, listens to our community and is more transparent. I've lived in Kaikōura for 25 years. My partner Jason Jellyman is a local builder and our three daughters attend Kaikōura High School.

My strengths are strategic planning, governance, logical thinking, financial analysis and a genuine interest in bringing community voice to the council table. Work and volunteer experiences include Case Manager for Work and Income, Budget Advisor at Te Whare Pūtea, Chairperson of Kaikōura Primary School Board of Trustees and at present I'm a Coordinator at Te Hā o Mātauranga (Learning in Kaikōura).
