

14. Financial Contributions

The section has been deleted in its entirety. The Council made a decision to require development contributions under the Local Government Act, as it considers this the most effective and efficient method to require development contributions from those who cause the effect, as opposed to requiring financial contributions under the Resource Management Act.

For more information see:

Kaikoura Long Term Council Community Plan 2006-2016, Part 5: Council Policies – Development Contributions Policy.
