

# Appendix 6: Contour Map for Ground Levels

## Moa Point, South Bay

The following is a contour map of the Moa Point area showing the ground level contours. It is likely that the contours will be representative sampling but will concentrate on the highest contours without reference to the lowest and will not incorporate dips and hollows.

### Appendix R

Contour Plan - South Bay, Kaikoura.

Note: All heights are in terms of the Land Information New Zealand Datum. (Lyttleton Vertical Datum 1937)  
 The origin of heights is BM Q26 (R.L = 6.302m)
