

KAIKŌURA MAYORAL EARTHQUAKE RELIEF FUND

Fact sheet

The Kaikōura Mayoral Earthquake Relief Fund was established to assist Kaikōura residents known to be most affected by the earthquakes. Generous donations were made to the fund from throughout New Zealand and the world.

The Council continue to invite applications from those who experienced significant effects on their financial situation, health or welfare to apply to the Earthquake Relief Fund.

Prior to Christmas 2016, an emergency hardship grants funding round was held to give some families a little help for the Christmas break. A funding allocations panel continues to formally consider funding applications, these applications are assessed monthly.

Priority will be given to;

- (1) essentials for daily life as a result of the earthquake affects
- (2) extra financial burden or costs due to the earthquake
- (3) costs not covered by insurance due to the earthquake
- (4) Not warm and dry due to repairs not completed as a result of the earthquake

Where the grant is awarded, you may use the grant for any purpose. It will not be necessary for you to provide evidence of the way in which the money has been used.

Criteria

In order to be eligible for the grant:

- (a) At the time you apply, you must be experiencing hardship as a result of the Kaikōura earthquakes;
- (b) You must have been a permanent resident in the Kaikōura District on 14 November 2016;
- (c) You must be at least 16 years of age;
- (d) You should not be eligible for funding assistance from any other source, including remission of rates, but you may still be eligible if that funding assistance or rates remission has not substantially reduced the financial loss or hardship suffered.

Only one application will be considered per household per year, (for example flatmates should apply jointly and bank account details should match names on the lease). The funds allocation panel has the discretion to approve a second grant to a household within a twelve-month period only in the most extreme cases of earthquake-related financial hardship.

Please provide material supporting the application and demonstrating that your circumstances are due to the earthquake.

Amounts

Where an application is successful, the amount of the grant will be generally \$500, depending on your situation and the evidence you provide of the hardship or loss. The amount of the grant will depend on circumstances and the \$500 is a guideline.

All grants are subject to the availability of the funding. Funds are limited and will be paid out in order of priority of the need, as assessed by the funding allocations panel.

Process

In order to apply for a grant, you must complete a Kaikōura Mayoral Earthquake Relief Fund application form available from the Council, the Heartlands office, or the Council website.
