

Kaikoura District Council
Kaikoura District Council
Electing 7 Councillors

Neil PABLECHEQUE

My principal place of residence is in the Kaikoura District Council area.

On having been a councillor for approx 9 years my responsibilities over the past term have been chair of reimagining KAIKOURA, chair of IWK board, on the risk and audit committee and chair

of liquor licensing. On previous term I have served as Deputy Mayor. It has been a huge challenge and an honour to represent our Community over this period.

In the last 3 years we have had huge challenges and still have a long way to go in our rebuild program keeping bridges, sewers etc on target and budget.

Kaikoura has a huge challenge in sustainability, in keeping Kaikoura affordable for ratepayers. It is exciting times ahead with new challenges and future developments.

I seek reelection so I can keep the major players honest and finish the work that I've started post earthquake with the Committees I've been on.
