

Kaikoura District Council
Kaikoura District Council
Electing 7 Councillors

Robby ROCHE

My principal place of residence is in the Kaikoura District Council area. I am also standing for Mayor.

I call Kaikoura my home and I stand as a Councillor as well as Mayor. I'm dedicated to being part of the governance of this special place in whichever position you vote for me. I have a strong background in the social/wellbeing space as well as the local business sector and it's time for me to step forward and be part of the next phase on our journey post 2016. We need governance that's supportive of best practice in it's delivery with innovative ways of being financially and environmentally sustainable. In our own backyard, we have the heart, the intelligence and the resilience to create a community that we all want. With our community the Council can help to build a better brighter Kaikoura.

He aha te mea nui o te ao. He tangata, te tangata, he tangata.
It is people, it is people, it is people.
