# Work Notice

## Traffic impacts

- The road will be closed during construction
- Residents will still have access during construction
- There will be heavy vehicles entering and exiting the site
- No other access will be affected.

## General Information/Key messages

- Safety is our number one priority. It is also your responsibility. Please make sure you stay clear of the works, stay alert and keep children and pets outside of designated work areas.
- There will be increased noise, dust and vibration levels associated with this work.
- Downer would appreciate if you would refrain from using this section of road during construction

We will be working within Covid-19 guidelines to protect the health of our community, our staff and our contractors. We also need your help to stay safe, so if you are passing through or near any of our worksites, please be mindful of keeping a safe distance (a minimum of two metres) from our traffic management and construction teams. If you need to speak with us, we would prefer a phone call.

**Thank you for your patience and understanding while we undertake work in your area.**
