

KAIKŌURA DISTRICT COUNCIL WORKSHOP RECORD

Date:	Wednesday 10 th July 2024
Time:	10.00am – 10.45am
Location:	Totara, Council Chambers, Civic Building
Open or Closed:	Open Workshop Session
Apologies:	Councillor L Bond, Mayor C Mackle

Subject:	Wakatu Quay Parking & Roading
Presenters:	Chris Sturgeon – Project Lead
Workshop Notes:	<u>Purpose of the workshop/short description:</u> Update on completion of detailed design of the parking and roading for Wakatu Quay development.
	<u>What was discussed:</u> The KMDP project gave an update to the Councillors on the progress of detailed design for the Development Roading and Parking. It was noted that the concept design was approved by Council and was the subject for the resource consent application. Detailed design is at the 95% mark and the project was seeking input and feedback from Councillors on the design to date. The project also updated the Councillors on recent resident communications and plans for implementation which will be coordinated by KDC roading team
	<u>End Result / Direction from Council/ Actions:</u> Councillors satisfied with update and pleased with progress. Agreed to provide Councillors with completed design for final approval.
