| Subject: | Toilets Programme – West End |
| Presenters: | Presenters: <i>Mike Russell</i> |
| Workshop Notes: | <u>Purpose of the workshop/short description:</u> Tabled the program for the West End toilets. |
| | <u>What was discussed:</u> West End <ul style="list-style-type: none"> • Toilets could be demolished in 2-3 days. Valves would need to be hand removed as these will be re-used. • The whole site including the grass area will be closed off for 6 weeks and will need signage, traffic management etc. Not a great time but governed by the manufacturer and the bulk of the work will be done in 5 days. • The four units will sit on poured concrete and are provided in a modular unit. • The outside of the work can be done without major disruption. • Sewerage has been checked and there are no issues. • Council staff are working with police on the placement of cameras. Churchill Park <ul style="list-style-type: none"> • Getting worked on very soon |
| | <u>End Result / Direction from Council/ Actions:</u> <ul style="list-style-type: none"> • Good communications plan around the toilets. • Mike will go door-to-door to the businesses at West End. |
