1. SUMMARY

The Kaikōura District Licencing Committee (DLC) currently has four members comprising of three Elected Members and one Independent Member. The quorum is three members, as per the Delegations Manual.

Two of the DLC Elected Members declared a conflict of interest in respect of an upcoming hearing. The reason for appointing Tracy McIlraith as a community member is because she has no conflict of interest and is completely impartial for this hearing.

Tracy McIlraith is an active member of the Selwyn DLC and has committee experience from December 2016 to date. She has attended all available training, both local and through the DLC network and is currently expanding her skills with a view to a future role as Chair.

The Chair of the DLC recommends that Council consider appointing Tracy McIlraith as a community member. Tracy McIlraith is not considered an excluded person, has the desirable knowledge, skill set and experience in line with the Act.

As part of the appointment, the Council will need to adopt the recommended changes to the Delegations Manual showing Tracey McIlraith as a Community Member under the DLC (specifically 4.11). It must be noted that Sue Griffin was appointed by the Council as an independent commissioner/member at a meeting on 24 March 2021 and this update to the Delegations Manual is also included.

This report is in Public Excluded session as it contains the curriculum vitae for Tracy McIlraith and consideration of her appointment (protects the privacy of natural persons under the LGOIMA Section 7(2)(a)).

2. RECOMMENDATION

It is recommended that the Council:

- a) Receives this report
- b) Receives the curriculum vitae for Tracy McIlraith (Appendix 1)
- c) Appoints Tracy McIlraith as a member of the DLC with immediate effect
- d) Adopts the changes to the Delegations Manual to reflect the appointments (Appendix 2)
- e) Delegates the Chief Executive Officer to determine the release of this public excluded report.

3. BACKGROUND

3.1 District Licensing Committee

The role of the District Licensing Committee (DLC) is to consider and decide on all applications for alcohol licenses within the District in accordance with The Sale and Supply of Alcohol Act 2012 (the Act).

Council can appoint community members to the DLC for a fixed term of up to five years and can be reappointed for one or more further periods of up to five years. The Act states that a local authority must not approve a person to be included on the DCL membership list unless that person has experience

relevant to alcohol licensing matters. That person cannot be a police officer, Medical Officer of Health, an alcohol licensing inspector, or an employee of the Council.

3.2 Delegations Manual

The delegations document sets out the delegations made by the Kaikōura District Council. The manual is split into the following key sections:

- **Delegations Policy** This part of the manual sets out the Council's philosophy for making delegations and establishes the legal power for making delegations. It then establishes the framework through which the delegations are made and structured.
- Governance Delegations This section of the manual sets out delegations of governance powers
 made by Council to Committees. Council's delegation model is designed to enable committees of
 Council to undertake their roles fully, completely and consistent with their terms of reference. The
 principles incorporate the reporting and monitoring process that enables the Council to ensure that
 the powers they have delegated are not exceeded.
- Statutory Delegations This section sets out all of the relevant legislation that Council has responsibility for and the powers duties and responsibilities delegated under the relevant clauses of each statute and associated regulations and bylaws. These delegations are made consistent with the provisions of the Local Government Act 2002, which allows a local authority to delegate to any other local authority, organisation, or person the enforcement, inspection, licensing and administration related to bylaws and other regulatory matters.
- **Financial Delegations** The delegation of financial powers enables the works and service objectives of the Council as set out in the Long Term Plan and Annual Plan to be achieved. This section of the register sets out the limits of financial delegations to Council sub-committees and Council officers.
- Management Delegations This section of the manual sets out the delegations made by the Chief Manager Support Services of the management powers to facilitate the effective and efficient operation of the Council administration.
- Contractor Delegations Council has determined to contract out the delivery of many of its services
 to independent contractors. The contracts in place with each contractor specify the detail of the
 services and levels of service to be provided. This part of the delegations register sets out the
 delegations of powers and functions required by contractors to carry out their contracted services.
- Warrants This final part of the register sets out the warrants of powers issued to individual officers of Council and employees of contractors.
